I will eat my lunch
in the dinner hall

My peg area where I will leave my coat and bag:

I do not need to bring any stationery to school.

The school will supply everything I need.

I will be given a book bag and a PE kit bag.

I will have access to the Sensory trail sensory garden and regulation station throughout the day.

The Sensory trail will help me to be ready and focused on my learning.

There will be a regulation station in my classroom along with a Five point scale if I need support to regulate my emotions.

My class will have weekly Library sessions here:

It will be really helpful if I read at home every day.

Mrs Mahoney is our Librarian and Academic Learning mentor.

My class will have weekly forest school sessions:

Our school dog mentors are:

Minty

Hugo

Nova

I might see the dogs
around the school at break
and lunch times and they
might even join my class
during learning time too.
