The Year 1 toilets and cloakroom:

I must ask an adult if I need to go to the toilet. They will give me a toilet pass lanyard.

I do not need to bring any stationery to school.
The school will supply everything I need.

My break and lunch times will be here:

Lunch hall

KS1 Playground

I will have access to the Sensory trail, sensory garden and regulation station throughout the day.

The Sensory trail will help me to be ready and focused on my learning.

There will be a regulation station in my classroom along with a Five point scale if I need support to regulate my emotions.

My class will have weekly Library sessions here:

It will be really helpful if I read at home every day.

Mrs Mahoney is our Librarian and Academic Learning mentor.

My class will have forest school sessions this year:

Mrs Braham is
our Forest
school lead.

Our school dog mentors are:

Minty

Hugo

Nova

I will see the dogs around the school at break and lunch times and they might even join my class during learning time too.

I would like my new adults to know...
